

Jerome Santerre

WPH Press

Starting in 2020, the WPH has allowed handball fans to get to know their favorite players, fans, and supporters through the *WPH Rapid Fire Challenge*. The *WPH Rapid Fire Challenge* peels the onion of our handball heroes, from their toughest rivals and matches to their favorite athletes and movies. Some have said the *WPH Rapid Fire Challenge* is even tougher than an 11-10 tiebreaker!

On today's *WPH Rapid Fire Challenge*, the WPH puts Canada's Jerome Santerre on the hot seat.

Jerome Santerre is one of the happiest handball players you'll encounter, always arriving at tournaments with a huge smile, even after 12-hour drives from Quebec, Canada. Jerome plays the great Danny Bell weekly, who he considers to be his mentor and handball hero. Jerome has traveled to a number of WPH events, including the WPH RFC and R48 San Francisco – no one enjoys handball events more than Jerome.

How let's see how Jerome enjoys the *WPH Rapid Fire Challenge*!
